

# BEYOND BUSHFIRES

## Eligible for a BCCM bursary?

Normally \$500

with bursary \$50+ Booking Fee  
<https://ethicalfields.com/courses/>

This is not a "top-down" training course. We learn together via co-operation. The curriculum is designed for you to identify problems and solutions unique to your situation and recovery, whilst sharing with a national cohort any solutions that may be common to recovery.

You'll be Zoom'ing in for 6-weeks (12:30 - 2pm) on a weekly basis and be given simple digital tools to advance your ideas further in between.

You will learn from case studies and guest speakers with first hand experience in bushfire recovery. Your best teachers may also be your peers on this course.

The course will be expertly facilitated by Ethical Fields staff: Moira Were (AM), Rohan Clarke and Andrew Ward

Eligible farmers pay out-of pocket expenses of \$50 + booking fee.
